

A Unit of Backcountry Horsemen of California

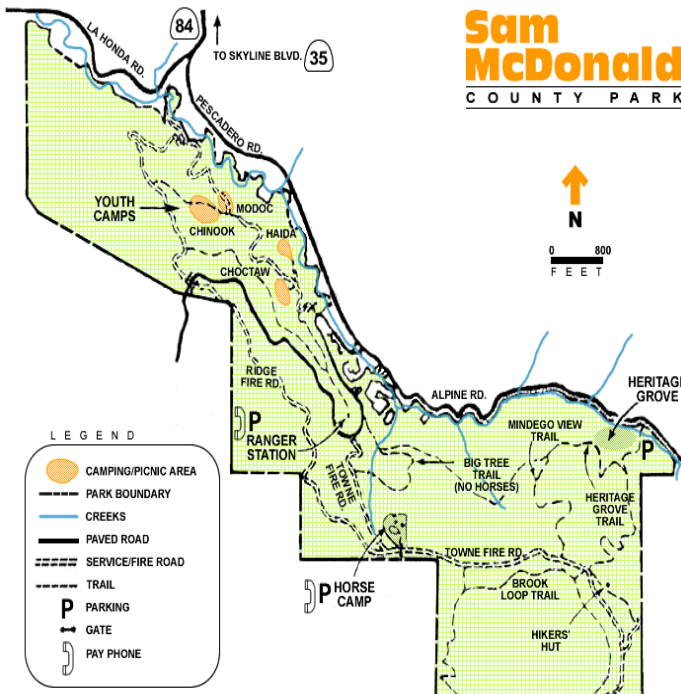

# Jack Brooks

# Campout July 8-12 2010

Imagine camping with HOT SHOWERS, Microwave oven, Refrigerator, Group Fire pit and so much more! Some of the most beautiful riding California has to offer so you don't want to miss it. Pot Luck Saturday Night plus we can

all meet for dinner every night in cooking area and sit around the fire pit afterwards to tell stories and sing some songs. Remember you have to be a member of Back Country Horsemen in order to attend this event! We have Horsecamp 1 (large camp) Thursday from 3:00pm to Monday at 12:30pm. Things to bring: warm clothes; enough food for you, whomever is with you and your horse/s; bottled water; a horse with equipment for horse; shower shoes; whatever else you might need. Remember you need to clean up after you and your horse before leaving the camp site, there are wheel barrels available and forks. Call Kathy Woods our Events Coordinator at 650 678-8070 if you have any questions.

Among the amenities of the site are showers, restrooms, a horse wash-rack, and an outdoor kitchen with refrigerator, freezer, and microwave (shared by all the camps). The area offers 48 horse paddocks and 6 tie posts available on a first come, first-serve basis. See you there! Becky S.

**Horse Camp-** Individuals with horses can ride the Brook Trail Loop, Butano Ridge Loop, Tarwater Loop, Bear Ridge and Old Haul Road Trails. Please keep in mind that the trails mentioned above are spread across Pescadero Creek, Memorial and Sam McDonald County Parks. **There is NO SMOKING and No Dogs allowed in the park or camp grounds anywhere.**

**At Gate:** The gate will not be locked, there is a time frame for driving in on the hour and driving out on the half hour, it is only a one lane road. There is a large turn out just west of the gate where you can wait if you arrive too early. PLEASE do not wait at the gate!

**From 101 or 280:** Take Highway #84 (Woodside-La Honda- San Gregorio Road) west to La Honda. Turn left 1/2 mile past village center in La Honda on the Pescadero Road. The gate is 1 mile past the park entrance on Pescadero Road and 7 miles from the turn-off.

**From Hwy. #1:** Take Pescadero Road turn-off. Go east on Pescadero Road about 10 miles pass a turn out Gate is on right 1 mile before the park entrance.
